

Why Your Support is Vital?

The SDC urges all progressive and concerned forces to contribute to the success of the 2012 Global Week of Action. The Swazi Regime is teetering on the edge of collapse and is daily losing any credibility it might once have claimed. Now is the time to assert the democratic agenda, and give the people of Swaziland the opportunity they deserve to govern themselves, free of corruption, repression and wastefulness.

An extract of the 2012 GWoAS programme is included below. This is only an extract of what is planned, please check our website for actions in different parts of the world – www.swazidemocracy.org
