

ITUC-Africa's project – Strengthening the interventions in the field of economic and social policy

Capacity building workshop for trade-union researchers – 2nd Meeting

Sarova Panafric Hotel – Nairobi / Kenya, 28th June – 1st July 2011

Session 9

The way forward: Roadmap and future actions.

1. Actions at ITUC-Africa's level

- I. Dissemination of documents on Internet (ITUC-Africa web site)
- II. Production of research handbooks
- III. Publication of 2 or 3 bulletins
- IV. Development of methodological research notes or documents
- V. Technical coordination of the networks
- VI. Evaluation of research reports

2. Actions at trade unions' level

- I. Strengthening the institutional framework (at country level and networks)
- II. Practical researches
- III. Dissemination of research results
- IV. Real participation to the national dialogue on questions of economic and social policy

3. Future research orientations

- **Three essential fields:**
 - ➔ Research on **regional integration** and **trade issues**
 - ➔ Research on **alternatives to neoliberalism**
 - ➔ Research on **employment, decent work, workers' conditions** (access to social services, purchasing power) and **poverty reduction**
